You have a divine destiny and this conference is all about encouraging you to fulfil your God-given hopes and dreams.

A creche room and sleep room with cots is available and parents must make their own arrangements for supervision. We will be providing at least three supervised sessions during the weekend, to give parents a break.

Re:Fresh Market

Do you run a small business or craft outlet? We would like to promote your produce and allow you to prosper.

You can hire a table for £10.00 and sell/advertise your goods at various points throughout the weekend.

Alternatively do you have a cause to promote?

Tables for charities and good causes are free for this but must be secured in advance. Please contact Pastor Ronnie Campbell at the following address to express your interest and we will be in touch.
